a. Because of the nature of the operations involved, the determination of precise deadlines is not possible at this time, nevertheless the kits should be considered as urgent requirements and produced as soon as possible. h. If the analysts in the course of their research 25X1C determine that the boundaries indicated above for some of the studies are not in accord with geographic realities, they should confer with 25X1A 25X1A of OSA so that some adjustment can be made. c. Six conies of each of the kits should be prepared 25X1A and forwarded to 5. Surther information on these requirements is needed, please contact either of OSA, extension 6553 (red 1826), or 25X1A extension 4577 (red 1392). 25X1A 25X1A
